# Welcome to LITITZ

## *A Historically Cool Town*

A charming, historic town, friendly and full of fascinating things to see and do, Lititz is a perfect destination for a daytrip or a memorable weekend.

The last year has been challenging in so many ways, especially for small businesses and our nonprofits' fundraising events. As we head into the summer of 2021 some things will begin to return to pre-pandemic normal, and some will still be modified. When planning a trip to town, know that our restaurants and retail shops are open and ready to greet you. They are following all Covid-19 safety protocols as set by the State of Pennsylvania. Many of the events that Downtown Lititz is known for will begin to return this year, some in modified formats,

but please be aware that all event dates and plans are tentative at this point, if you plan to visit for a specific event, please check the host's website to be sure it is still happening and verify any possible changes in format to meet Covid-19 safety requirements.

Venture Lititz, our non-profit Main Street Program, publishes this directory to help you better understand why Lititz is so special. From historic sites to boutique shopping and great dining, Lititz is truly an Experience.

### ***Must-see Lititz landmarks include:***

Julius Sturgis Pretzel Bakery, Moravian Church Square, Linden Hall, Wilbur Chocolate and our beloved Lititz Springs Park, all within a short walking distance of our downtown center at the intersection of Broad and Main. In between there's a pleasurable blend of over 60 unique shops and eateries, each with its own distinct appeal.

Spend the night at The Wilbur Lititz, downtown's newest hotel in the former Wilbur Chocolate factory. Now home to residential condos,

hotel guests, the Market at the Wilbur food hall and Blackworth Live Fire Grill.

While you're here, take some time to explore just outside of downtown with a trip to the Rock Lititz campus, Penn Cinema, the Wolf Sanctuary of PA and the newly opened 7-mile Warwick to Ephrata Rail Trail.

And if it's events you seek, downtown Lititz has you covered winter, spring, summer and fall. From Lititz Fire & Ice, a Taste of Lititz, the Rotary Craft Show, Lititz Craft Beer Fest and one of the most memorable 4th of July celebrations in the nation.

Community. It's a word that means many things to many people, and here, community is what Lititz Life is really about.

All of our town's shops, restaurants and events need amazing people who care about our community to be successful. As someone who grew up around here and now gets to live, work, and volunteer here, I can tell you that amazing is the perfect word to describe the people who call Lititz home.

Once you meet them and see it for yourself, you'll want to be part of our amazing community too.

Are you considering buying or selling a home here? Call me at 717-371-0557, I'll show you what Lititz Life is, and help you become part of our community!

Marrying my wife is the smartest thing I ever did.

But this may be  
a close second.

Having a great partner in life is really important. But where you live your life is too. We found what we were looking for at Brethren Village. As

a continuing care community, we know our health care needs will always be taken care of. There were so many residential options and floor plans that we were able to choose one that was perfect for us. The campus is so close to everything and the financial options were perfectly suited to our budget. Coming here was a smart decision, but it was an easy one too.
